Professional Summary

Creative and detail-oriented Front-End Developer with 1+ years of experience building responsive and interactive websites and web applications. Proficient in modern frameworks like React and Redux with a strong eye for UI/UX design. Passionate about performance, accessibility, and clean code.

Experience

SOFTWARE ENGINEER

Manas Networks Pvt. Ltd | OCT 2023 – NOV 2024

- Contributed to the development of a **React-based IMSI Tracker** application, focusing on clean, scalable, and maintainable code.
- **Collaborated with cross-functional teams** including backend developers and UI/UX designers to deliver high-quality user interface components aligned with product goals.
- Implemented **responsive and accessible UI designs**, ensuring a seamless experience across various devices and screen sizes.
- Led the integration of **language translation functionality**, enabling multi-language support and improving usability for a diverse user base.
- Developed and managed **dynamic color themes (Dark/Light Mode)**, allowing users to personalize the application's appearance and improving accessibility.
- Optimized the application's performance and user experience through **code-splitting**, lazy loading, and React best practices.

WEB DEVELOPER INTERN | BIZITECH FINTECH PVT. LTD | JAN 2023 – APR 2023

- Built a one-stop portal named "Fintech e- Portal" which allows citizens to check eligibility for government scheme, apply online and get digital approval.
- Tools Used: React, MongoDB, JavaScript, Node.js.

Projects

- **Note_Planner Website** to store and organize our notes.
- **Art Gallery:** Pencil Portrait Shop – Custom Image-to-Sketch Web App
- **Potfolio Website** to showcase my work.
